Values Which Will Make Monday a Selling Day of Incomparable Magnitude

UNMISTAKABLE, real values, where quality has been upheld to the utmost and where prices have been lowered to the minimum—values which, from every point of view, are without doubt the best advertised to-day.

For fifty-six years we have done business on the principle that nothing is too good for St. Louis and her people—that the only way to merit and maintain the public confidence is to make no statements, either in our store or in our announcements, which we cannot substantiate with the merchandise.

All of these things have combined to make Barr's occupy the enviable position of the leading store west of the Mississippi and the shopping center of all St. Louis. Bargains which are told of on this page represent the height of value-giving, as are many others not advertised.
